HOST FAMILIES NEEDED

In 2018, the Greater Victoria School District will be participating in an exchange program with students from Yamate High School which is located in Northern Tokyo. Students from Yamate High School will be arriving in Victoria on April 18th to spend two weeks attending high school classes and participating in activities in the Victoria area. The Greater Victoria School District is currently seeking Victoria families to host the visiting Japanese students during their two-week stay. This represents an excellent opportunity for local students and families to have a genuinely authentic learning experience and form intercultural relationships with someone from a culture different than their own.

Local SD 61 students also have the opportunity to travel to Japan in the summer of 2018. During this time, SD 61 students will live with a Yamate High School family and experience Japanese lifestyle and culture. The cost of this portion of the program is \$2800. This includes airfare, accommodation, meals, activities, and travel insurance.

Please note that going to Japan in the summer of 2018 is NOT a requirement for hosting a Japanese student in April!

If you are interested in more information there will be an information session on December 11th at 7:00 pm at Uplands Campus (3461 Henderson Rd). You may also contact Reid Litster at rlitster@sd61.bc.ca.

This is a great opportunity for local students and I hope to see you at the info session!

Thank you for your time,
