CYCLE FOR CHANGE

Cycle for Change is coming soon!

Students from Esquimalt High School are looking for donations for their annual Cycle For Change event, which is now in its 11th year. CFC is a 12 hour event where cyclists from our school collect pledges to ride around our track, while volunteers sell burgers and baked goods. All funds are donated to local and global charities. This year we are raising money for Rainbow Kitchen (a volunteer organization providing free meals to marginalized people in Esquimalt), and APU Malawi, (a girls' secondary school in Malawi which provides education to girls living in poverty). Cycle For Change 2018 is taking place on Friday May 25th from 7am-7pm. This event raises thousands of dollars for good causes every year, and we would love to have your support.

You can contribute to this event in one of the following ways:

1. Encourage your child to be a Cycle for Change rider. Cyclists need to fundraise a minimum of \$50 to be able to participate in the event. We will be having an information meeting for all cyclists on Monday, May 07 at lunch in room 219.
2. Pledge a rider. Students will be looking to get pledges in the amounts of \$5, \$10 or more.
3. Become a Rider! If you are looking for some exercise, and would love to contribute to a good cause, consider being a cyclist yourself. Contact Mr. Henderson via email if you would like to find out more.
