❖ **URINETOWN THE MUSICAL AT OUR ESQUIMALT THEATRE.**

Over 40 Esquimalt students from grade 9-12 and featuring a live band including district employees and UVic students, this show will have you laughing until it hurts! Musical Theatre International says that “*Urinetown* is a hilarious musical satire of the legal system, capitalism, social irresponsibility, populism, bureaucracy, corporate mismanagement, municipal politics and musical theatre itself!”

Performances scheduled for April 26, 27 and May 2, 3, 4, at 7:30pm. Tickets can be purchased on the Esquimalt High School website or through the Box Office at 250-382-9226 ext. 195 (\$12/adults, \$10/students). New this year, we will be selling “VIPee” tickets (\$20/adult, \$18/student). As one of the privileged few, you will get to beat the line with first choice seating (at 7:00pm), be served refreshments, and leave with a complimentary gift package! Our cast and crew are excited to share this work with the community, hope to see you there!

❖ **STUDENT LEARNING SURVEY**

The 2019 Student Learning Survey is available for parents/guardians of students in grades 10 or 12. The survey is available at : www.bced.gov.bc.ca/sat_survey/access.htm. Please contact us for a logon number to participate in the survey. The survey is open until May 15th 2019.

❖ **YOUNG WOMEN OCEAN LITERACY & LEADERSHIP CAMP**

In partnership with several other school districts in southwestern British Columbia, secondary schools throughout the Greater Victoria School District are offering a fantastic opportunity for **up to 40 female secondary students (ages 15 to 18) to participate in the Ocean Literacy & Leadership Academy/Camp for Young Women**, taking place for a week this summer at the Tribune Bay Outdoor Education Centre on Hornby Island! Please see the attached poster and go online - at <https://www.tribunebayoutdoored.ca/index.php/leadership-academies/> - to find out more about this camp/academy along with registration information/forms/etc. As **space is limited**, interested students are encouraged to **complete and submit the registration forms ASAP**. When registering, students will need their Personal Education Number (PEN) – noted on their report card or available from their school office – and they will be asked to note their school district contact for which they should put my name and email address – Ken Andrews, kandrews@sd61.bc.ca. Prior to the camp/academy, participating students need to complete a series of online learning activities. Combined with the academy/camp experience itself, students then receive 4 secondary credits through NIDES (North Island Distance Education) for their participation. Perhaps more importantly, the online component is aimed at deepening their knowledge of climate change and leadership principles as well as starting to plan an action-project, all of which will further the quality and depth of their experience at the summer academy!
