A reminder that our final CORE block of the year is happening on Wed June 12:

Grade 09 students will be participating in individual Year-End Reflection Interviews with educators. Individual meeting times will be posted by the office; students were also given their meeting time and locations during TA on Thursday, June 6th. This interview process is mandatory and is a part of the year end reporting process. It will describe, in students' own words, something important that they learned this year. The final document will be printed and added to students' report cards.

Grade 10 students DO NOT need to come to school for Core Block on June 12. Their day will begin at 9:50
