Did Your Grade 9 Miss their Vaccinations?

The Health Nurses will be at the school to vaccinate the Grade 9 students who did not receive their vaccinations.

Students will be called down to the Office Conference Room on **Friday Feb. 7th in the morning.**

Students in grade 9 can make an informed decision about immunization regardless of their parent/guardian/representative decision to consent or refuse immunization. For more information visit:

[The Infants Act, mature minor consent and immunization | HealthLink BC](#)

*Immunizations will be provided at the school for **grade 9 students who missed the first vaccination date on Feb. 7, 2025.***

Contact the local Health Unit at 250-519-5311 if you have any questions.

Grade 10's Immunization:

Public Health will be providing catch-up immunizations to Grade 10 students who missed their Grade 9 immunizations on **February 7th**. Only students who have a paper consent form signed by their parent/guardian/representative or who provided mature minor consent during the 2023-2024 school year (Grade 9) will be immunized.

Contact the local Health Unit at 250-519-5311 if you have any questions.

Attention Students in Grade 11 and Grade 12: Catch Up Vaccinations on Feb. 21st

BC has launched a Cancer Care Action Plan to better prevent, detect, and treat cancers. As part of the prevention strategy, Island Health students in grade 11 and 12 will be offered an additional opportunity to catch up on HPV vaccination, a safe and effective way to prevent a variety of cancers.

Public Health will be providing an opportunity for grade 11 and 12 students who remain eligible for childhood & school-age immunizations (excluding COVID-19 and influenza vaccines) to be immunized at an upcoming school-based immunization clinic. **A letter with more information will be sent home with Grade 11 and 12 students shortly.**

Please discuss the information in this letter with your child, as students in grade 11 and 12 will be offered the opportunity to consent to or refuse immunizations on their own behalf through the mature minor consent process. Children under the age of 19, who can understand the benefits of getting immunized, possible side effects after receiving the immunization, and the risk of not getting immunized, can legally consent to getting the immunization or refuse it.

For more information visit HealthLinkBC: The Infants Act, Mature Minor Consent and Immunization

Important Focus Block News for 2nd Semester:

In order to build rosters for Focus Block we will need students in **Grade 10-12 to register** for a Focus Block using a Google Form.

Please use the link below to register for a Semester 2 Focus block:

Google Form: bit.ly/esqfocusblocksem2

Parent Connect:

Parent Connect is an online service developed by the Greater Victoria School District to expedite consent requests and access Learning Updates (report cards). The service reduces the amount of paper forms and allows parents and school staff to review a student's consent information on-demand. The service also includes Google Translate to support parents who prefer to communicate in languages other than English.

Learning Updates (report cards) are shared digitally with both parents and students through Parent Connect and Student Connect.

All Learning Updates will only be shared via Parent Connect and Student Connect. Paper copies of Learning Updates will only be available upon request in person from the office.

Please click on the link below for information on how to create an account and access Parent Connect. When you access the account, student Learning Updates will be available as a pdf document.

[Parent Connect instructional video](#) and link to the portal.

[PDF Instructions for how to access Parent Connect](#)

Student Connect:

GVSD Student Connect allows students to review privacy information and choose which online digital services they consent to use. Students should review their current consent items at the start of each school year.

New items can be added at any time (for example if a student needs access to a service in Gr. 11 that they did not need previously). Consent can also be revoked at any time if a student is misusing technology.

Important consent items in Student Connect include:

- School Yearbook and In-School Photo/Video Consent
- School and School District Media Consent
- Broadcast Media Consent
- Student Acceptable Use of Technology

Permissions for Digital tools:

- Google Workspace for Education
- Adobe Creative Cloud
- MyBlueprint
- Canva

Food Programs at Esquimalt:

A reminder that our **Breakfast and Lunch programs** are intended for those students who are experiencing financial hardship/need. While we appreciate that other students may at times need to access breakfast on occasion, we are asking that those students who are able to access food at home please do so.

Please note that the **Rainbow Kitchen "Fridge of Love"** is open and accessible to ALL staff and students, regardless of financial need! 😊

Student and Family Affordability Fund:

In March 2024, the Ministry of Education and Child Care provided districts with additional **one-time Student and Family Affordability Funds (SFAF)**. The Student and Family Affordability Fund is intended to support families with costs associated with going to school that they may be struggling to pay. The aim is to make life more affordable for families who are temporarily facing financial challenges and need temporary assistance with the current cost of school supplies and education related fees. The funds will be provided in as flexible, private and stigma-free manner as possible.

Funding use includes, but is not limited to:

1. Goods:
 - Providing basic school supplies that might otherwise be purchased by parents, guardians, and students (e.g., pens, paper); and
 - Supporting with clothing/footwear required for school sports or other school activities.
2. Fees:
 - Waiving education-related fees (e.g., additional supplies for shop, culinary and craft classes, workbooks, camps, field trips, relevant cultural events, other student society meetings including those related to equity, diversity, and inclusion, and instrument and equipment fees or other fees charged by school districts); and
 - Fees for school sports and other school activities.

If your family or student have any questions or require support, please reach out to Sarah Garr (Principal) by phone or email sgarr@sd61.bc.ca
