Challenge Coordinator: Omdrea Walker owalker@sd61.bc.ca

Note: Students must choose to apply to either Esquimalt or Mount Doug's Challenge Program — they may not apply to both programs.

Application Process: For incoming Grade 9's only

The Challenge Program application includes:

1. Application - **Due January 14th, 2026**
 - The application page is below and can be hand delivered, emailed, or faxed to Esquimalt High School.
2. **District Testing Session: January 23rd, 2026, Esquimalt High School Library**
 - In order for students to be considered for the Challenge Program, they must be tested. The testing is used in conjunction with the student's application to create a student profile.
 - A test schedule will be sent to each applicant (via e-mail) by January 19. This notice will specify scheduled testing dates and times. The student must come to the testing location, which is to be determined, at the date and time specified. They will be scheduled in a morning session or afternoon session.
 - If your child cannot attend on the dates scheduled, please call or e-mail the Challenge coordinator to re-schedule your child's testing session. If your child is ill on the day of his/her test, please call the school in the morning to arrange for an alternative date.
3. **Student Portfolio** - Due prior to January 30th, 2026 (recommended to turn in at the testing session)
