School Door Closures

To prevent individuals entering the school who have not signed in at the office, we will be re-instating the practice of closing certain entry/exit doors around the school.

The following doors will be locked at 9:15am:

- ***Door by Art Room on 2nd floor***
- ***Loading Dock door by Staff Parking***

If you arrive after 9:15am, the front door, as well as the first level back door will be unlocked.

Thank you for committing to keeping our school and students safe.

IMPORTANT GRADE 9 IMMUNIZATIONS:

Students in grade 9 will be offered immunizations in school-based clinics. Grade 9 immunization forms were handed out this week to your students B block Teachers.

Please discuss the information in the consent packages with your child and include them in the decision to provide consent for immunization. Students in grade 9 can make an informed decision about immunization regardless of their parent/guardian/representative decision to consent or refuse immunization.

For more information

visit **HealthLinkBC: The Infants Act, Mature Minor Consent and Immunization**

PLEASE REMIND your student(s) to hand the forms back to the **office by DEC 19th, 2025.**

Thank you!

Keeping your Bike/Scooter Safe from Thieves

To ensure your bike/scooter is safe from potential thieves, be sure to lock it up correctly and visibly. Use the steps below to ensure your strategy is thief proof!

1. Use a high-quality lock – U-Lock (D-Lock) or a folding hardened steel lock is recommended.
2. Attach your bike/scooter to a designated bike/scooter rack – these are more visible areas and are solid and immovable. If rain is a concern, bring a garbage bag from home and cover your bike during the school day.
3. Lock the frame and the rear wheel
 - a. The frame should be locked through the triangle to the rack.
 - b. Rear wheels are more difficult to remove, so secure them with the frame.
 - c. If using a second cable lock, loop it through the front wheel.
4. Take accessories (e.g. lights, phone mounts, water bottles etc.) with you.
5. Register your bike/scooter with Project 529 Garage -<https://project529.com/garage>
(Recommended by VicPd: <https://vicpd.ca/crime-prevention/protect-your-bike/>)

Optional Extras for Extra-High Security

- Wheel or seatpost security bolts (replace quick-release skewers)
- GPS/airtag hidden in the frame, saddle, or bottle holder
- Use two locks of different types (thieves rarely carry multiple tools)

Notification: District's Acceptable Use Policy and Student Code of Conduct

We are writing to let you know that recently we were made aware of Google Chat activity that was in violation of the School District's Acceptable Use Policy and Student Code of Conduct. Given the limited educational/pedagogical use of Google Chat in the school district, the decision was made to disable Google Chat for students district-wide.

WHO WE ARE AT ESQ

Supporting Our Students: Food Programs at Esquimalt

At Esquimalt, we believe that no student should go through the day hungry. Our **Breakfast and Lunch Programs** are here to support those facing financial hardship, ensuring they have access to nourishing meals. If your family can provide meals from home, we kindly ask that you leave these programs available for those who need them most.

For **everyone in our school community**, the **Rainbow Kitchen "Fridge of Love"** is always open! Students and staff are welcome to grab a snack—no questions asked, just kindness shared. 😊

Thank you for helping us take care of one another!

Student and Family Affordability Funding 2025-2026

For those families who require support with costs directly related to school, such as school fees, school supplies, field trips, school sports or school activities, we now have some limited funding available. Please contact Sarah Garr (Principal) at sgarr@sd61.bc.ca if you have any questions and/or would benefit from some support.

Parents' Advisory Council (PAC):

Our Parent Advisory Council (PAC) welcomes all parents and guardians to their meetings. **The next meeting is Jan. 12 at 6:45 pm.** The PAC is an important part of our school, and we value our partnership with our parents. A student's school experience is enriched when parents, staff and students are working together.

Does Your Student Drive to School?

Student drivers will need to **register** for a parking permit to park on school grounds. Please complete the parking permit application attached in full and return it to the office.

Parent Connect: How to Check Report Cards online?

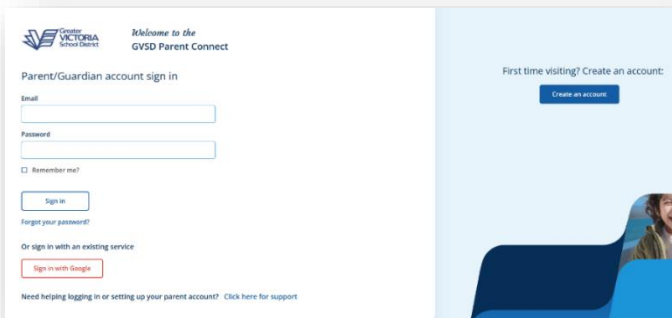

Our Learning Updates (Report Cards) are updated in the [Parent Connect Online System](#). The service reduces the amount of paper forms and allows parents and school staff to review a student's consent information on-demand.

Considering that 20% of the students in SD61 speak different languages than English and French, the service also includes Google Translate to support parents who prefer to communicate in other languages.

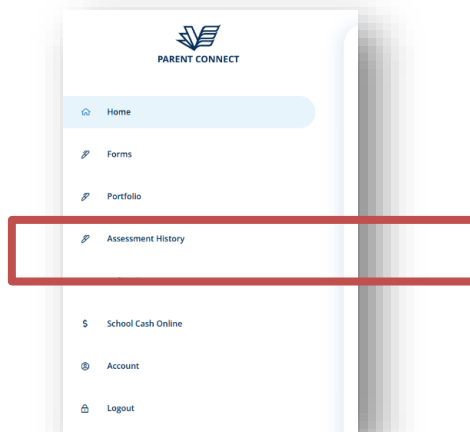

Paper copies will only be available **upon request** in person from the office.

How to create an account and access the system: [Parent Connect instructional video](#) or [PDF Instructions](#)

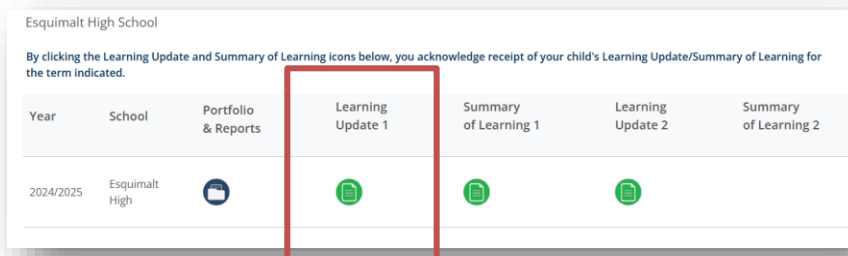

How to access to the Learning updates? Here are the steps

1. Log In to the system with your email and password or with your Google (Gmail) account.
2. If is your first time, click in the blue bottom "Create an account".

3. On the left side panel click on Home. Click on the name of your student, if you only have one Student in the District.
4. Click on "Assessment History".

5. Click on **"Learning Update 1"**. A PDF file will download.
6. Check your Downloads file. Open the Report Card for your student.

SHARING OUR STORIES OF SUCCESS

ESQUIMALT HIGH ROBOTICS:

This past weekend, Esquimalt High School robotics hosted the FTCBC Qualifier for 15 Vancouver Island teams. The Esquimalt Atom Smashers 20025 was awarded the 2nd place Inspire award, the most prestigious judged award in FIRST Tech Challenge, honouring the team that best embodies the spirit of the program by excelling in all judging areas (engineering, outreach, community impact) and serving as a model for other teams, combining strong robot performance with deep commitment to FIRST values and STEM promotion. They were also a Finalist Alliance partner, earning them a spot for the FTC BC Provincials happening next February in Vancouver.

The Esquimalt Proton Pulverizers 23809 was awarded the Think award - recognizing the team with the most innovative and effective control system, emphasizing smart programming, sensor use, and consistent autonomous operation to solve game challenges, all documented within their Engineering Portfolio. They will compete in the next qualifier in January 2026 at St. Margaret's School, hoping to win a seat for provincials as well.

Fantastic work and congratulations to all team members. Well done!
