

BRITISH COLUMBIA POST-SECONDARY MATHEMATICS ADMISSION REQUIREMENTS:

High school mathematics requirements vary by institution and program of study. Information in the table is intended as a starting point, providing information on minimum math prerequisites for programs at BC post-secondary institutions. The number of different programs at these institutions, and different types of credentials available in these programs make it impossible to list all cases. **It is important to research specific programs directly for accurate and current admission requirements.**

- Many colleges provide opportunities for math upgrading where students have not obtained the math prerequisite;
- Diploma, Certificate and Degree programs in the same field of study at the same institution may have different pre-requisites;
- Although mathematics courses may not be directly specified as required for admission, in some cases you are advantaged by taking more math in high school. e.g. Camosun Business does not require academic math but if you don't have a C-grade in FOM 11 or PC 11, you must upgrade your math in the first semester.

Institution	Arts	Science	Business	Trades	Nursing
BCIT		Pre-calculus 12	Any Math 11	Any Math 10 or 11	Foundations 11 or Pre-calculus 11
Camosun College	No specific math requirement	Pre-calculus 12	No Math but C-grade in FOM 11/PC 11 recommended.	Workplace 10 or Workplace 11 depending on program	Foundations 11 or Pre-calculus 11
Douglas College	No specific math requirement	Foundations 11 or Pre-calculus 11	Foundations 11 or Pre-calculus 11		Foundations 11 or Pre-calculus 11
Langara College	No specific math requirement	Pre-calculus 12	Pre-calculus 12		No First year entry
Vancouver Community College	No specific math requirement	Pre-calculus 11	No specific math requirement	Workplace 10 or Workplace 11 depending on program	No First year entry
Trinity Western University	No specific math requirement	Pre-calculus 12	Pre-calculus 12		Pre-calculus 11
UNBC	No specific math requirement	Pre-calculus 12 recommended	Pre-calculus 12 recommended		Foundations 11 or Pre-calculus 11
Thompson Rivers University	No specific math requirement	Pre-calculus 12	Foundations 12 or Pre-calculus 11	Math Placement required	Foundations 12 or Pre-calculus 11
UBC-Okanagan	No specific math requirement	Pre-calculus 12	Pre-calculus 12		Pre-calculus 11 or Foundations 12
UBC-Vancouver	No specific math requirement	Pre-calculus 12	Pre-calculus 12		3rd year entry only
Simon Fraser University	Foundations 11	Pre-calculus 12	Pre-calculus 12		Foundations 11
University of Victoria	Foundations 11	Pre-calculus 12	Pre-calculus 12		No first year entry
University of the Fraser Valley	No specific math requirement	Pre-calculus 12	Foundations 12 or Pre-calculus 12	Math/English comprehension entrance exam	Foundations 11 or Pre-calculus 11
Kwantlen Polytechnic University	Foundations 11 or Pre-calculus 11	Pre-calculus 12	Varies for programs	Workplace 11 and KPU trades mathematics test	Foundations 11 or Pre-calculus 11
Capilano University	No specific math requirement.	Pre-calculus 12	Pre-calculus 11 or Foundations 11 or AW12
